TO WHOM IT MAY CONCERN

This reference has been supplied by our company for Vishwa & Salome Prasad.

Back in 2006-2007 we signed up with Crest Cleaning Services to handle the cleaning of our premises. At the time we were known as DAA Holdings T/A Foam Alone and our address was Unit 5/13 Highbrook Drive, East Tamaki.

Crest Cleaning Services, from what I understood at the time, does not employ staff, but actually contracts the cleaning work out. They made arrangements with Vishwa & Salome Prasad to take care of our premises. We had 4 units that needed the usual things done – cleaning of toilets, floors, vacuum cleaning in the offices, bin emptying, edges wiped etc etc. Sometimes extended family were also present to assist to ensure that the cleaning was done on time when we had requested additional work be done.

During this period of time, I found Vishwa and Salome to be friendly, co-operative and if I had any concerns, they were addressed immediately. I also noted and appreciated that if for any reason they were not able to attend on the normal day for cleaning, they called, apologized and re-scheduled on the day that next suited me.

I understand they are going into a new venture and I wish them all the best in their future endeavours.

If you have any queries, please do not hesitate to contact us.

Yours faithfully
